CHOICE MEATS

To Please the Palate

is our aim in serving meat—to retain the fine flavor Nature bestows, not to let it go to waste, as some meatshops do. Without prolonging this true tale, it may be set down for a fact that here is to be found a first-class place to purchase beef, mutton, ham, poultry and game, to give your table good credit with household and guest.

Now You Can Come and Go

WHEN there's an entertainment at the church—or a good show in town, or a dance, or a party at the home of a distant neighbor—then you will be glad to own a Harley-Davidson. You'll find a dozen good uses for it during the day, of course, but when the day's task is done and you are too tired to enjoy walking or driving, then you really enjoy your

Harley-Davidson

With a sidecar (detachable in a few minutes) the Harley-Davidson becomes a family vehicle, a never-ending source of fresh air recreation—wonderfully soothing to tired nerves and muscles.

Considering all that the Harley-Davidson Motorcycle with sidecar will mean to you, it is really easier for you to own one than to do without. Arrange for a demonstration today

NEWS FROM COASTSIDE

Mr. and Mrs. J. P. Micheli were down from the city Sunday to visit the Debenedetti family.

Superviso MacBain of Menlo Park, accompanied by Mrs. MacBain, called at the M. J. Francis home last Tuesday.

Mrs. M. B. Willits of Granada has moved to Los Angeles as she has sold her property there to Fred Tate of San Francisco who with his family will soon take possession.

W. B. Scott, the former Ocean Shore station agent at the Farallone depot, but now at Tunitas Glen, has purchased a new Ford. W. B. says he is coming up some day and give his local friends a joy ride.

Miss Eloise Lynch attended the meeting of the Parent-Teacher's Association last Friday afternoon. Her health has very much improved since her tonsils were removed. She soon will be able to teach her school again.

San Mateo county has been called upon to furnish horses for the U. S. cavalry. Communications have been sent to each supervisor, asking him for the information as to the approximate number of available and desirable horses in his district.

John Oleson, Supervisor Francis' road foreman for Montara mountain district, has a large force of men at work putting the roadway in excellent condition for summer use. Now if the supervisor of the first district would do likewise the Colma-Halfmoon Bay boulevard could not be equalled anywhere in the State. Why not Supervisor Hickey?

Harr Wagner who was brought home to Montara a week ago today after his long illness from the seriously and critical mastroid operations seemed to be convalescing all right, though slowly, had a relapse and has not been able to be up all week. Dr. Meade was called. Today he seems to have taken a turn for the better which his friends hope will not be temporary though he is pathetically weak.

Have you noticed that little ladie, who is seen at Moss Beach, every day wearing her yellow raincoat, carrying a fishing pole over her shoulder and a grainsack at her side? Well that is Mrs. John Valentine of San Francisco, who has been spending the past several weeks as a guest at Nye's Moss Beach Hotel. She is becoming more than an expert fisherwoman, as it is a common occurance to see her on her return with twenty-five to sixty pounds of fish. One party said, "the fish seem to like her bait better than mine as she fished in the same rendevous as I do and lands four or five to me one or none."

The marriage of Marie George to Antone R. Furtado was solemnized in the local Catholic church last Wednesday morning, Rev. A. Andriano officiating. Miss Alexandra Furtado, the groom's sister, was the bride's only attendant ,while Joseph George was the best man. Only a few of the most intimate friends of the contracting parties attended the ceremony. The bride was handsomely attired in a tailored suit of blue silk, white sailor hat and white fox fur. After the ceremony the young couple immediately left for San Francisco. They returned Saturday and were given a big dance in the I. D. E. S. Hall. Sunday the friends of the bride were entertained at the home of her parents. The groom is a resident of Oakland and the bride is the handsome daughter of Mr. and Mrs. Antone George of this vicinity. We extend our best wishes.

The Parent-Teachers' Association held its regular meeting last Friday afternoon. Mrs. M. J. Bettencourt, vice-president presided. Among the special features may be mentioned an address by Rev. F. W. Hunting on "Social Development," which was followed by a lively discussion, A reading from Longfellow's Tales of a Wayside Inn, entitled "King Robert of Sicily," by Mrs. H. L. Wiegel was of more than ordinary merit. In fact every single number of the program was excellent.

For the next meeting, which occurs on the first Friday in May (May 3) the program committee has provided for a program fully as good. At that time the association hopes to have a visit from Mrs. F. R. Hartell, first vice-president of the second district of the California Congress of Mothers, who, no doubt, will have something good for the club.

OUR FLAG

Flag of America! What wondrous meaning!

Born out of tyranny; proclaimer of liberty! Champion of human rights! Emancipator from bondage—equal suffrage for white and black. Shelter for the oppressed, protector of the weak. Strongest in unity of hearts; hated by the tyrant; powerful through God's will.

Protection for all—when necessary, through sacrifice of precious lives, each willing to shed his blood to preserve freedom—to transmit, untarnished, undesecrated to posterity, this priceless heritage, this silken beauty of red, white and blue stars and stripes. Wave on "Old Glory," forever! Flag of flags! Stimulator of patriotism! Surely, God's flag will not fade from the earth.

ATHLETIC GROUNDS GOOD PURCHASE

The trustees of the Sequoia union high school made a mighty good move the other day when they purchased the old ball field between the State highway and the railroad tracks for an athletic field. The tract contains about three acres, and the purchase price was $16,000, which real estate men regard as a very reasonable figure.

Although the property was purchased primarily for an athletic field for the high school, it is the aim of the trustees to make it a general recreation and athletic field for all the Redwood City school children and the public at large. The playgrounds at both the high and Central grammar schools are too small to be of much use for athletic purposes, and the people of Redwood have realized for some time that a real athletic field should be secured somewhere near the center of town.

The new athletic grounds will not only prove profitable for the physical and mental development of the children, but will also prove highly profitable as a business investment.

Messrs. O'Keefe, Hydenfeldt, Behrens, Emmett and Greeley are deserving of the public's commendation for making such a wise investment of the taxpayer's money and for providing a place where the young people of the community may congregate together and participate in the healthful pastimes which contribute so materially to the making of sturdy young Americans.—San Mateo Daily News.

AMERICAN SOLDIERS

A high German military officer was reported last week as saying that no American army could help the allies in the present war, and as further saying that in our civil war five hundred thousand men were lost because neither side had, at the beginning of the conflict, a trained discipilined army.

Still Germany learned many valuable lessons from that war of ours. One was to mass cavalry and make it a distinct division of the army, the same as the infantry and artillery; another was the adoption of Grant's idea of keeping all armies in a great war so disposed as to prevent the reinforcement of any particular army that was being assailed.

When the war closed and the grand review of the victorious armies of the republic was held in Washington ,a distinguished British officer watched as hour after hour the ranks of the men in blue swept past those who were reviewing the long procession. Then, when it was over, he declared that Europe had better dressed armies and armies where the little details of discipiline were more carefully observed, but that there was no army in the world that, in all the essentials of fighting men, compared with the grand army of the republic.

Again, when France, Germany, Great Britain, Japan and the United States sent detachments from their respective armies to Peking to suppress the Boxer uprising, another British officer said: "For three or four days the American detachment was the ridicule of all the others. They marched in irregular ranks—like civilians rather than soldiers; they were careless in their attire and seemed more like a mob than a detail of trained soldiers. But one morning early, the Boxers in heavy force attacked our front, their immediate assault being directed against the American contingent.

"Then we witnessed a transformation. Those careless men were all in perfect alignment; their steps changed from those of men to those of tigers; at intervals of three or four minutes they dropped upon one knee and, taking swift aim, fired their volleys; then up and on again, and at about the fourth or fifth volley the enemy threw down their arms and precipitately fled; and then after giving one cheer of triumph, those men dropped back into their old careless ways as though nothing had happened. There was no more discounting of the American command on that march."

The one thing the German critic cannot understand is that American soldiers have some attributes peculiar to themselves alone. These are partially, at least, hereditary.

It required nearly three hundred years to clear the wilderness between the Atlantic and the Pacific. All the way the van of the great army of occupation moved on against extraordinary hardships and dangers. They moved, so to speak, with a bible in one hand and a rifle in the other. In the rude homes on the frontier the mothers of each succeeding generation, having given up the innocent longings that come to a woman's heart, toiled on.

"There was woman's fearless eye
Lit by her deep love's truth."

Those three hundred years of danger and toil and hardships had their effect. The American people are not quite like any other people, but when duty calls they respond nobly. And should there be a call for a division or a corps or an army to go to Europe, the soldiers comprising the contingent might not upon their arrival there compare in many things with the European troops. But should they be called to the battle line, the account they will make of themselves will forever silence all criticism of them.

TWENTY-FOUR APPLIED, THIRTEEN ALIENS PASSED

Out of the twenty-four aliens who took the naturalization examinations in the superior court last Tuesday only thirteen passed. According to a recent ruling of the Department of Justice at Washington no Germans will be admitted to citizenship during the war. At the suggestion of Assistant U. S. Attorney F. N. Littleton, Judge Buck also ruled that all applicants whose families resided in a foreign country would not be admitted to citizenship. This ruling affected two applicants. The former ruling also prevented two natives of Germany from becoming citizens.

The examination was quite severe, a number of questions being asked that would have puzzled many of the "natives." For instances, Dennis Molyneaux of Redwood City was asked to state how many times the United States constitution had been amended. He promptly answered seventeen times which was correct. It is doubtful if ten in the courtroom could have answered the question. Another applicant was asked to give the number of justices in the supreme court of the United States. "Nine" was the quick response of the prospective citizen. He was correct.

The newly made citizens, their places of residence, and their native countries, are as follows:

Rene Verbrugge, Daly City (Belgium); Charles McGinley, San Mateo (Ireland); Wm. Templeton, Atherton (Scotland); Francesco Saverio Martini, Daly City (Italy); Dennis Molyneaux, Redwood City (Canada); Axel Uno Ranson, Burlingame (Sweden); William John Simpson, San Mateo (Scotland); Jose Serpa Mottos, San Mateo (Portugal); Casimiro Madrigall, South San Francisco (Italy); John Edgar McLeod, San Bruno (Canada); Henry Justin Smith, Burlingame (Canada); Prederico Parisi, Menlo (Austria); Sebastiano Belli, Halfmoon Bay (Italy).

LITTLE TOMMY WARREN MISSED BY ALL

Little Thomas Warren, the five year old son of Mr. and Mrs. William Warren of Redwood City, who died on Monday, just a few hours after his grandmother, Mrs. P. Lenehan, had been consigned to the grave ,was interred in Holy Cross cemetery on Wednesday morning. The little boy was a great favorite with all and no wonder then when the little casket was taken from the chapel of the Redwood City Undertaking Company there was not a dry eye in the big assemblage that gathered to pay its last respects to the beloved little fellow who had made so many friends and who was so popular with all who knew him. Tommy, as he was familiarly called, was a playful boy, but the busy arms are folded, the deep hush of death has sealed the lips and stilled the heart. His spirit has gone to the better world and his childish voice will be heard on earth no more forever. Tommy fought bravely the disease that had taken hold of him but he succumbed after two weeks to its ravages. Little Tommy will long be remembered by those who knew him and loved him in life and who patted his curly head as they passed him by.

WASHINGTON LETTER

An opportunity for Senator Hiram Johnson of California to make his maiden address to the Senate occurred during the discussion of an item of $500,000 to assist his state in the control of the floods of the Sacramento river, as contemplated in the Flood Control Act passed in the closing days of the last Congress. Senator Johnson contends that such an appropriation is in the interest of true economy in that the contemplated work will preserve for agricultural development a large tract of land that would otherwise be ruined by the floor waters. The state has appropriated $500,000 for the work, in continuation of a long established policy, and Senator Johnson claims the government should fulfil its contract by supplying an equal amount. The item was included in the bill, due largely to the Senator's able presentation of the case.

EKSWARD KILLS POLICE MEASURE

County Clerk Joseph H. Nash received word yesterday from Frank L. Ekswarad at Sacramento stating that the latter had succeeded in killing in the lower house the bill making the office of city marshal elective instead of appointive.

CURRY IN S. F. HOSPITAL

David A. Curry, the stentor of Yosemite Valley, former Redwood City school teacher and former Palo Alto furniture dealer, is in the German hospital in the metropolis, where he underwent an operation that resulted in the amputation of one of his toes. Curry, since he became the properiteor of a large summer camp in the Yosemite Valley, has become known all over the state.

HARRY MALONEY AWAITS CAVALRY CAPTAIN'S CALL

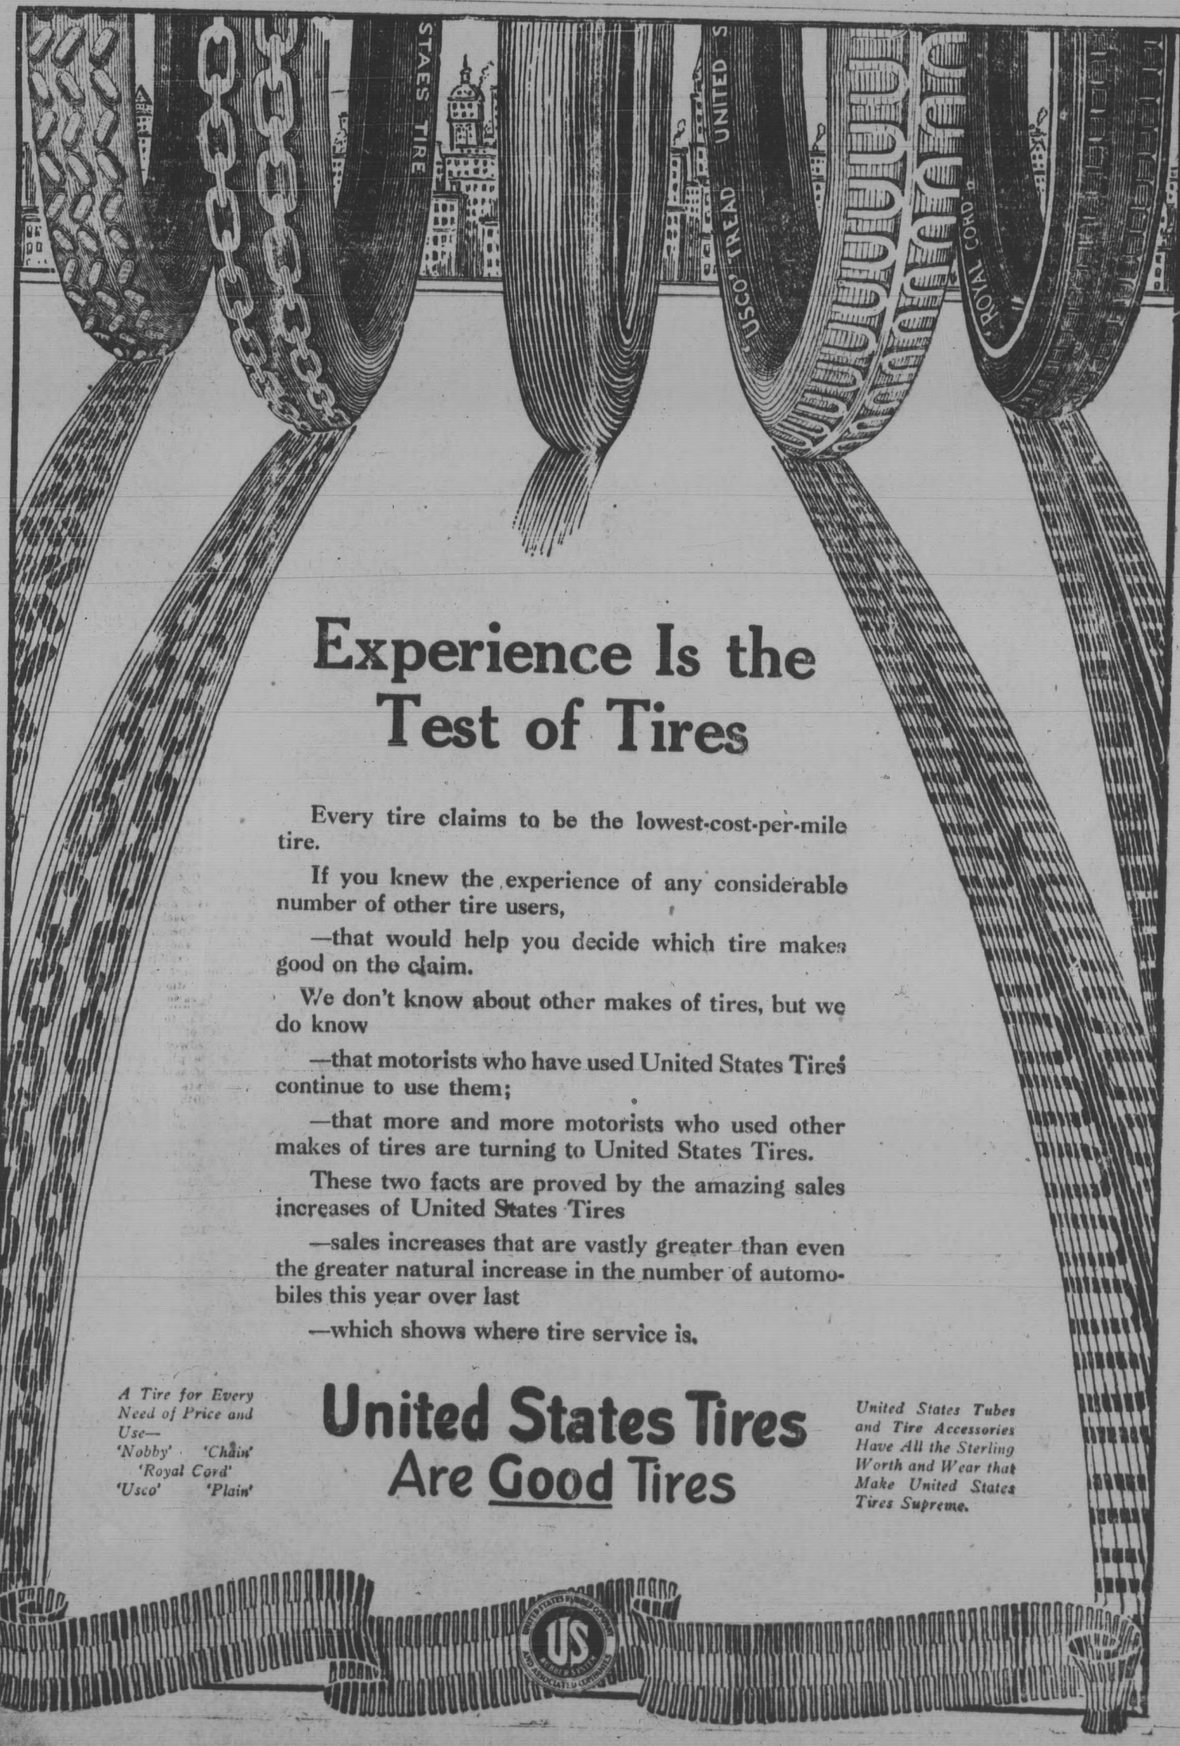
Harry Maloney of the Stanford physical department is daily awaiting the arrival of his commission as captain in the United States army, and is making preparations to leave whenever he is called.

Mr. Maloney served for seven years in the British cavalry, and for several years was instructor in horsemanship. He served two years and four months in the Boer war, as first sergeant, and was in charge of a troop of scouts. General Haig, now commander of all the British forces in France, was then lieutenant colonel of Mr. Maloney's regiment, and Seventeenth Lancers, and Mr. Maloney had occasion to come in contact with him frequently.

Mr. Maloney's wide experience should make him a valuable man for the United States army.

AN ITEM OF INTEREST

Sears-Roebuck Company have just closed a contract for 120,000 tons or 540,000,000 lbs. of catalog paper for their 1917 trade. This paper alone figured at 2 cents a pound, which is probably far less than it cost them, means an outlay of $4,800,000.00 for paper alone. Add to this the cost of getting out the catalog and the mailing of same and it will make an enormous sum this one firm is spending to get business that should and would go to the country merchants if these merchants would apply some of the business methods used by this big mail order house. The country merchant cannot issue catalogs, but better than this, they can quote prices and describe their goods to prospective customers each week by using the columns of the local paper.



Experience Is the Test of Tires

Every tire claims to be the lowest-cost-per-mile tire.

If you knew the experience of any considerable number of other tire users,

—that would help you decide which tire makes good on the claim.

We don't know about other makes of tires, but we do know

—that motorists who have used United States Tires continue to use them;

—that more and more motorists who used other makes of tires are turning to United States Tires.

These two facts are proved by the amazing sales increases of United States Tires

—sales increases that are vastly greater than even the greater natural increase in the number of automobiles this year over last

—which shows where tire service is.

THE WEEK'S EVENTS IN LOCAL CIRCLES

Redwood City as Seen Through Incidents Gathered Here and There

Miss Norma Jacobus will leave today for Fresno to visit her friend, Miss Florence Holbrook.

L. P. Behrens will arrive home today from Byron Hot Springs where he spent the week.

Miss Margaret Roche, principal of the grammar school is confined to her home this week with a severe illness. Her sister, Mrs. Briggs, has taken her place at the school.

Kenneth Rice having enlisted in the U. S. army will leave for San Diego next week to join the aviation department of the army to become a birdman.

Frank K. Towne, the popular cashier of the Frst National Bank, has purchased a parcel of land near the fish hatchery at La Honda on which he will erect a summer home. He intends to spend his vacations there with his family.

M. L. Megladdery, a former newspaperman and well known in Redwood City, was here on Wednesday representing the Merchant's Calculating Machine Co. Mr. Megladdery at one time represented the old San Francisco Call in the county.

Thomas Wilson, aged 86 years and an uncle of the late Mrs. Thomas Hind, was buried in Union cemetery yesterday. He died at his home in San Francisco on Wednesday. The deceased resided in Redwood City about ten years ago for a short time. He is survived by a wife and several nieces who live in San Francisco. The greater portion of Mr. Wilson's life was spent in the East.

The trial of Mrs. A. W. Pike has been set for May 9. Sometime ago the defendant plead not guilty to the charge placed against her. She is accused of shooting Mr. Stallman in the leg while he was gathering red berries on her premises back of Wellesley Park last December. Mrs. Pike will be represented by J. J. Bullock while the prosecution will be in charge of District Attorney Franklin Swart.

The large consignment of garden seed received by Professor Mantz from E. A. Hayes at Washington has been distributed to the children to plant in their gardens at home. The pupils are very enthusiastic about raising vegetables, receiving every encouragement from their teachers and parents. Mr. Mantz has also purchased a large quantity of corn, peas and bean seed which he is distributing to the children.

Dr. J. L. Ross during the week received a letter from his son, Dr. Harvey L. Ross who has been a practicing physician in the Hawaiian Islands with marked success for a number of years, stating that he had been appointed a major of volunteers by the war department at Washington. Dr. Ross will be confined to home duty on the islands working with the home guard. He will have plenty to do as quite an army will be maintained on the islands. The doctor will have charge of the medical department of the army.

Charles N. Hancock was in town on Thursday calling on old friends. Mr. Hancock resided here over a quarter of a century ago. His marriage to Miss Nettie Ashley twenty-five years ago was a big society event. Mr. Hancock lives in San Francisco but has not visited Redwood City for a number of years. He was much surprised at the big progress the city has made. Mr. Hancock was highly impressed with street improvements. When he lived here the main thoroughfares were almost impassible in winter.

William Tribolet and William Daley during the week cut down a live oak tree in the White Oaks tract near town that measured five and a half feet at the stump and contained six cords of wood. It was the monarch of the forest and one of the largest oaks in the peninsula. It was owned by Mr. Sperry who built a dwelling beneath its wide spreading branches. It seems a pity that the oak should succumb to the woodman's ax when it was such an ornament. The whole peninsula was at one time dotted with oaks but unfortunately they are fast passing away, some by old age, others by the ruthless hand of man.

The Red Cross meeting at the Alhambra last Monday night drew a large and enthusiastic gathering. Roy W. Cloud presided and introduced the speakers. Rev. Father Donohue gave a splendid address in which he urged all of his hearers to work earnestly for the cause of humanity and civilization as exemplified by the Red Cross. Mrs. John F. Merrill of Menlo Park told of the good work done by the organization and Rev. C. H. Stevens gave the creed of the order and asked for liberal support. Mrs. Stevens then sang the Star Spangled Banner in a most pleasing manner. Before and during the meeting 146 new members were added to the local chapter making a membership of 365. Since then thirty more have enrolled. It is the hope of the organization however, that 500 members shall be secured. The ladies of the town have been working at the high school all week making sheets, pillow cases, towels.

BRIDGE FINANCE IDEAS

Whether to allow private capital to build the proposed general highway bridge across the southern end of San Francisco bay at Dumbarton Point or to go ahead with the original idea of having the districts directly benefited finance the project was one of the big questions considered by the executive committee of the Dumbarton State Highway Bridge Association at the regular weekly meeting Tuesday.

Numerous problems have arisen in connection with the plan of having the bridge erected as a public structure but the association that is boosting the project has already succeeded in clearing up many of them. Now that the great value of such a bridge to the peninsula and to central California generally is becoming more fully understood, private capital is showing an eagerness to take hold of it an underwrite the bonds necessary for a million dollar bridge.

President W. J. Martin and others on the committee expressed a desire to have the bridge built with public funds if possible. Otherwise the association will lend its assistance to private capital which evidently sees a profitable investment resulting from the building of a bridge to be operated on a moderate toll basis.

Fred H. Drake and George H. Irving of the executive committee estimated that from 6,000 to 10,000 motor vehicles would use the bridge each week. W. A. Graham of Newark, also of the committee, announced that he would have a count made from the traffic on the eastern side of the bay.

The membership campaign for the maintenance of the association's headquarters in Monadnock building is progressing favorably. Those who believe in the value of the bridge as a link between the peninsula and the mainland are pledging one dollar per month for a year to defray the preliminary expenses.

BRILLIANT ATTORNEY MESMERIZES LEGAL FRIENDS

When the case of The People against Thomas Reynolds was called in the superior court Thursday the court fixed the day for arraignment of the prisoner for Tuesday next. Albert Mansfield, who represents the defendant, at once arose and in an eloquent plea asked the court to continue the case until the following day as he desired to go fishing on Tuesday as that was the first day of the open season for catching trout and he desired to get on the ground first to tempt the luscious beauties. The court was somewhat doubtful about granting the request when J. J. Bullock offered the suggestion that Mr. Mansfield stipulate that he would divide the catch. The attorney gladly agreed to this and the court granted the request. All concerned are anxiously awaiting the return of Mr. Mansfield on Wednesday to share in the success of the attorney, whose reputation as a fisherman is State wide.

ROBERT MILLS ESTATE STILL IN LITIGATION

A suit of considerable interest to the people of San Mateo county is now being tried in the superior court of San Francisco before Judge Shortall. It is the partition suit of Attorney Powell against the other owners, Mrs. R. F. Jury and B. Murray, to a two hundred acre tract of land at Belmont of great value. The property was partitioned some time ago but the referees' report is being resisted by Mrs. Jury and her brother Mr. Murray, who own seventy per cent of the land. After the death of Robert Mills some years ago, Attorney Powell represented heirs and received an interest in the property in question and also a parcel of land in San Francisco. The wife of Mr. Mills inherited the greater portion of the property and at her death it was transferred to her two children, Mrs. Jury and Mr. Murray, who are now fighting the demands of Powell. The report of the referees was not satisfactory to them. Mr. Dow is representing Attorney Powell in the case while Walter H. Linforth is appearing for Mrs. Jury and her brother. The outcome of the suit will be watched with interest by the people of the county. H. C. Tuchsen, Asa Hull and Charles Landscheit were among the witnesses from the county who gave testimony in the case yesterday.

MRS. HENRY WARD BROWN'S HOME AT COLMA ROBBED

The home of Mrs. Henry Ward Brown, wife of the late Henry Ward Brown, who represented San Mateo county in the Assembly for a great many years, was entered recently and a sum of money amounting to $15 was taken. Mrs. Brown was absent in San Francisco at the time of the robbery. Two boys residing at Colma were arrested for the crime. They will appear in the juvenile court next Monday.

CARD OF THANKS

Mrs. Henry Butts and daughter desire to tender their most sincere thanks to kind friends and neighbors for the assistance and many kind attentions paid to them during the season of their affliction. They recognize with much gratitude the delicate sympathy which prompted the floral offerings and the many kind expressions of condolence during their bereavement.

DRAMATIC CLUB SHOW

Once again have the dramatic students of the Sequoia Union High School proved their ability in the production of the four-act comedy, Christopher Junior, at the Alhambra last night. This play, like the one two year ago, was a light comedy throughout and the parts were well distributed, the minor parts being well played up to support the leading roles. Comte O'Connell as Christopher Junior accorded an amusing display of the predicament of a young man married to a girl he had never seen and yet in love with another whom he could not marry because of his wife. Marie Uhlenberg, as the wife and sweetheart combined, divided honors with O'Connell and the two made a strong pair. Particularly good was Camilla Stafford in her handling of a secondary role yet one of considerable importance. As sister of Christopher Junior, she did her best to get him to marry his wife whom he knew only as his sister's friend. Charles Faso as Christopher Senior showed considerable ability in his portraying the elderly gentleman. His lines were clear cut and forcefully expressed. As Mrs. Jedbury Senior, Blanche Ross exhibited the dignity and culture incident to her position. Tom Bellaby (John McKee) and Mr. Simpson, manager of the Bombay House (Donald Thompson) took their parts exceedingly well. Oscar Olson and Jessie Duggan as Mr. and Mrs. Glibb were very good. It was true to their case that Mrs. Glibb was the better half. She was almost three-quarters. As a testy major, loving all of the women at a distance, Lucien O'Connell brought many a laugh by his clever take-off. Charlie Rockwell and John Isaac, valet to Jedbury Junior and man-servant to Jedbury Senior, contributed their portion to the night's acting. The entire play was well received and considerable appreciation is due Miss Wilkins for her patient and presistent coaching of the students. The new scenery made in Mr. Gill's department and painted by Mr. Carrington's department was quite a desirable novelty. The cast was as follows:

Christopher Jedbury Sr., an East Indian Merchant, Charles Faso; Mrs. Jedbury, his wife, Blanche Ross; Christopher Jedbury Jr., their son, Comte O'Connell; Nelly, their daughter, Camilla Stafford; Whimper, their man-servant, John Isaac; Job, valet to Jedbury Junior, Charles Rockwell; Major Hedway, a retired soldier, Lucien O'Connell; Dora, his niece, Marie Uhlenberg; Mr. Glibb, president of the Association for Suppression of Juvenile Gambling, Oscar Olson; Mrs. Glibb, his better half, Jessie Duggan; Tom Bellaby, a young lawyer, John McKee; Mr. Simpson, manager of the Bombay House, Donald Thompson.

JUDGE BUCK CONFIRMS JUDGE SEELY'S RULING

Judge Buck on Thursday confirmed the judgment of the lower court in the case of The People against George Croasman charged with kicking a boy in the face south of town some weeks ago. Judge Seely sentenced him to serve 30 days in the county jail. Croasman appealed the case to the higher court. On Thursday his attorney pleaded that his client was suffering from a severe hemorrhage and was a very sick man and if he had to serve the sentence he may die. Judge Buck said he could not see any way out of the affair but to have Croasman serve his time. He suggested that he might consult with the pardoning board of the county and get relief. Croasman is the proprietor of Hotel Van Dorn in San Francisco. He struck the boy while the latter was astride his motorcycle. The case was an aggrated one.

SAN MATEO COUNTY TAXES TO BE DELINQUENT MONDAY

The second installment of county taxes will become delinquent next Monday, April 30, at 5 o'clock in the afternoon. Property owners would be wise to bear this fact in mind, for if property is sold for taxes a considerable expense must be incurred for its redemption.

Call on the tax collector at the courthouse before next Monday evening.

Schaberg's report places the total value of the estate at $857,079.47, from which has been deducted the sum of $19,226.27 for funeral and administration expenses, leaving a balance of $837,853.20. The estate will be distributed as follows:

HALFMOON BAY HIGH SCHOOL VISITED BY STATE INSPECTOR

On Friday of last week, Dr. Scott Thomas, State high school inspector, visited the Halfmoon Bay union high school. Prof. Thomas spent the whole day visiting classes and looking over the work. He commented again and again on the decided improvement of work now being done, of the application of the students, and the general high school atmosphere, which he says did not prevail here three years ago.

In Prof. Thomas' address to the high school students and faculty, he praised them for their seriousness of purpose and advised all students to remain in the high school until they have finished the four year course.

Before leaving Prof. Thomas told the principal that he had no particular recommendation to make on the school in general that he believed it was conducted well, and that he was so well pleased that he would have the Halfmoon Bay union high school placed immediately upon the accredited list of high schools in California.

This is the first time in the history of our high school that it has been accredited, a fact that the community can be proud of. Heretofore the school had no recognition among the California high schools. Our graduates could not enter the University of California or Stanford University without passing the entrance examination. The graduates of 1917 and later will not need to face such an embarrassment, provided that the progress of the school is still maintained.

MRS. VIRGINIA LORD SEEKS ANNUITY PAYMENT

W. H. Chipman and the Union Trust Company of San Francisco, executors of the last will and testament of Mrs. Josephine A. Phelps, were cited to appear in the superior court on Thursday to show cause why they should not pay an annuity of $300 a month to Mrs. Virginia Lord, sister of Mrs. Phelps. Mrs. Lord was represented in the proceedings by Ross and Ross. By the terms of the will of Mrs. Phelps Mrs. Lord was to receive an annuity of $300 from the income of the estate. According to the executors there is no income at present and that they cannot pay the monthly sum as required under the terms of the will. The statute specifically cites that where there is no income from an estate to pay an annuity the general assets of the estate may be used to pay such annuity. On this section of the statute Mrs. Lord bases her claim for her monthly allowance. As the law is very clear on the point at issue it is quite likely that the executors will mortgage the estate to pay the annuity. Mrs. Lord is ill and without any means to pay a nurse or secure the necessaries of life. The Phelps estate is appraised at over a half million. The case was submitted and a decision will be rendered shortly. Attorney Sharpstein represents the executors in the case. Mrs. Phelps in her will also left annuities to her other sisters and brothers.
